Marellbar Farms'

15th ANNUAL SALE

with a strong consignment from

KICKAPOO FARMS

Owned by Stanley G. Harris
Kenosha, Wisconsin

sale to be held at

MARELLBAR FARMS, LIBERTYVILLE, ILLINOIS

MONDAY, JUNE 1, 1959

THESE BULLS SOLD IN A FORMER MARELLBAR SALE

From left to right: **Marellbar Decoration**, bought by Henry L. Dietz & Sons, Russell, Kansas; **Marellbar Pilate**, bought by Fred Taylor, Como, Mississippi; **Helmor Purvis 361**, bought by Anthony Petkus, Capron, Illinois; **Marellbar Prospectus**, sold privately to Gilbert Kardel, Walcott, Iowa; and **Marellbar Informer**, bought by Philip Sauer & Sons, Sanborn, North Dakota, the second Marellbar bull they have used in their herd.

Marellbar's Finest Sale Offering

Drawn from the two great herds maintained at Marellbar Farms and Kickapoo Farms, this is one of the finest offerings I have ever seen in my 35 years of attending Shorthorn sales. So richly bred, so full of quality, and so uniform in type are the 47 head in this sale that I defy even the best of judges to pick the five top bulls and the five top females in the order they will sell.

John Blume and Raymon Duer, managers respectively of Marellbar and Kickapoo Farms, wrote the footnotes that appear in this catalog. I ask you to note that they have not attempted to describe any animals because they prefer not to warp or alter the judgment of any prospective buyer. However, they have given very valuable information about the ancestors of each animal and, since both have built great herds through paying strict attention to the performance of ancestry, their advice in this connection is invaluable.

Starting with this year, the Marellbar Sale, with its strong consignment from Kickapoo, takes the front row seat in the important early June sale series, a position justly deserved. The reputation of these two herds has been built by the judgment of hundreds of the breed's greatest judges. Let any animal anywhere in the world be pointed out as having been bred at Marellbar or Kickapoo and it will be recognized immediately as the synonym for quality and breeding. This is your assurance of the complete security in making selections from this sale offering.

Hal Longley
of The Shorthorn World

THESE BULLS SELL IN THIS MARELLBAR SALE

Where have you seen better type, stronger heads, greater uniformity? Four of these sons of Kair Ranger will sell in this sale. From left to right they are: **Marellbar Romantic**, Lot 1; **Marellbar Republican**, not selling; **Marellbar Riccardo**, Lot 4; **Marellbar Rotarian**, Lot 2; and **Marellbar Rocket**, Lot 3.

Welcome to Marellbar Farms

Monday, June 1st, is the first time in our twenty-three years in the Shorthorn business that we have been in a position to claim the opening date of the June sales. Since we are taking the date of Edellyn Farm's annual sales, we are exhausting all efforts to make this offering the most attractive and most valuable in our history.

This year we are also paying tribute to a great sire, Kair Ranger. Twenty-one of his first calves will be sold and they will be the chief attraction, along with a number of imported cows with calves by Kair Ranger or close to calving.

We are selling sound, practical breeding cattle in breeding condition, all members of the same families that have been traditionally popular in Scotland, where they were originated, as well as North America and many other countries.

John Blume

Don't wait until you need a stock bull !

To insure the continued and future success of your cattle breeding program, it is most important that you have at all times an additional bull you can rely on. Don't wait until you "have to have one." This is a serious and often costly position to be in.

General Information

MONDAY, JUNE 1, 1959

Commencing at 12:00 Noon Central Standard Time

Location -- Sale will be held at Marellbar Farm on Illinois Route 120 at the junction of the new Tri-State Tollway. Marellbar Farms is 38 miles north of Chicago, 4 miles west of Waukegan, 6 miles north-east of Libertyville; two miles west of U. S. 41 at intersection of 120; one mile east of intersection of Routes 63 and 120. Lunch will be served at the farm.

Transportation -- Those coming by train or plane to Chicago; take North Shore Electric train at Adams and Wabash Station to Edison Court Station, Waukegan. Trains leave hourly on the hour. We will furnish transportation to the farm and return to the station, if notified.

Tollway Transportation -- Driving from points South, West, East or North, you will find it convenient to use the new Tri-State Tollway which leads directly to the farm. The entrance and outlet is at Belvidere Road which is Highway 120. Marellbar Farm is on Hanlon Road, ½ mile South of 120. Coming from the North, leave the Toll Road at outlet of Highway 63. Consult the new map on the opposite page.

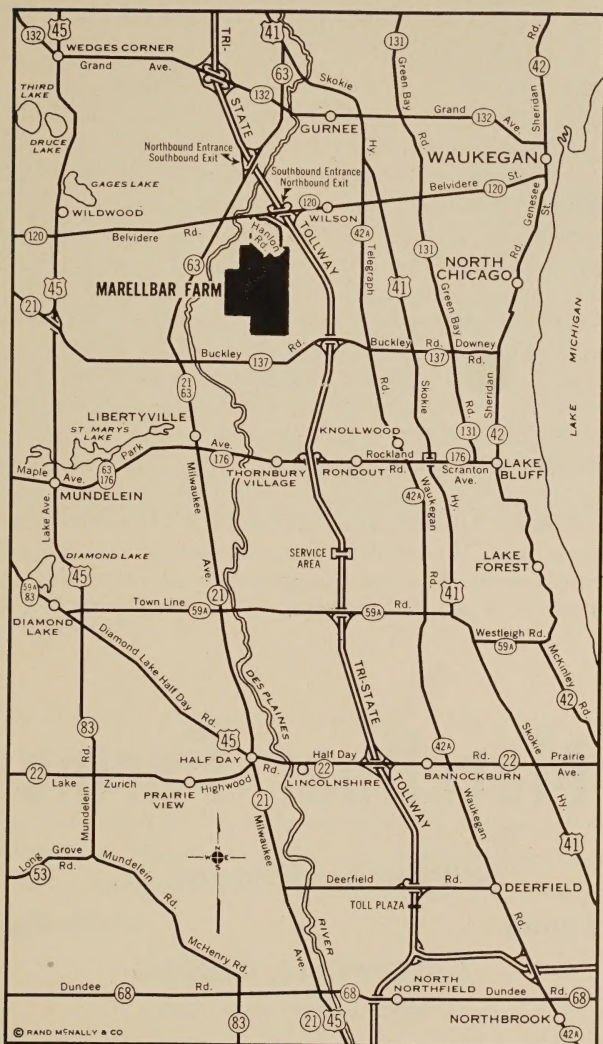

Hotel Reservations -- Many of the guests will wish to stay at the Karcher Hotel in Waukegan, Illinois, four miles from the farm. Others may prefer to stay in Chicago hotels. We suggest that you write directly to the hotel, requesting a reservation and stating when you expect to arrive and about how long you intend to stay. A number of fine motels are near Marellbar Farms. We will make motel reservations for you if you prefer such accommodations and will let us know in advance.

Bids -- Mail bids and orders will be accepted by Hal Longley, Don Longley, or Mervin Aegerter of The Shorthorn World; Kenneth Fulk or James Browitt, American Shorthorn Breeders Association; Ed Huff, fieldman, Livestock Breeder-Journal, Culpeper, Virginia; Darrell Overholt, Drovers Journal, Chicago.

Auctioneers -- Pete Swaffar and Harvey Miller.

Health -- All Marellbar-bred cattle have been officially pretested and vaccinated for Brucellosis. Marellbar is Federally Accredited for Tuberculosis. Every animal has successfully passed two abortion tests or will have vaccination certificates. All bred cows and heifers with breeding dates of more than thirty days will have been examined for pregnancy by Dr. E. A. Woelffer and results will be announced at time of sale.

Breeding Dates -- Correct breeding dates will be provided on sale day. Any corrections announced by the auctioneer will be final and will take precedence over printed matter in this catalog. All heifers with substantial breeding dates will be examined for pregnancy and results announced at time of sale.

Please note — The new Tri-State Tollway is now open and the trip to Marellbar is easier than ever. However, due to the construction work now taking place along Highway 120, the entrance to Marellbar may prove confusing to visitors. We will have direction signs posted in prominent places. Watch for them.

Terms and Conditions

Guarantee -- All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Shipment will be made as soon as possible after sale. Cattle at owner's risk when sold, but every care and attention will be given until shipment is made. To avoid confusion, at the time of settlement, hand shipping instructions to clerk, also information as to whom pedigree should be transferred.

Liability -- The above guarantee will constitute a contract between the consignor and buyer of each lot. Although every precaution will be exercised to protect the safety and comfort of guests of the sale neither the owners of Marellbar Farms nor the owners of Kickapoo Farms, nor any of their representatives, nor auctioneers, nor clerks, nor sale manager, can assume any liability for accidents.

Terms -- Cash. All settlements must be made with clerk before cattle are moved. Leave your shipping instructions with clerk to avoid confusion in shipping arrangements following the sale, also information as to proper transfers.

IMPORTANT — Please hand all shipping and transferring instructions to our clerk, Mr. Wilson. This will avoid confusion and errors following the sale.

Here are three of the nine beautiful heifers consigned to this sale from the strong Kickapoo Herd. Where can you find more perfect foundation material? From left to right: Kickapoo Eliza 6th, Lot 28; S & T Augusta 5th, Lot 30; and Kickapoo Lavender A 2d, Lot 29.

Buying is just as important as selling. Where you buy is as important as what you buy. Analyze your purchases with an idea of their values in the future. Buy where you are assured of getting breeding stock with a trademark of distinction. Marellbar and Kickapoo Shorthorns have been tried, tested and proven. They are labeled with a degree of perfection.

PLEASE NOTE: The Chicagoland Shorthorn Sale will be held at the Lake County Fair Grounds, five miles West of Marellbar Farms, on Tuesday, June 2nd, the day following the Marellbar Sale. This is one of the most important sales of the year, with top consignments from eight of the strongest herds of the breed.

Herd Sire

Kair Ranger was purchased privately in Scotland after being Supreme Champion in 1956 at Aberdeen, Turiff and Fetercairn. After arriving in this country, he was reserve grand champion at the 1957 International Livestock Show and reserve senior champion at the 1958 International. He is by the famous Calrossie Crocus Count, great sire of Perth champions. One of the best judges of beef cattle in Great Britain described Ranger as "having as few faults as any bull he had seen — tremendous bone, depth and thickness, good, deep, full quarters, style, character and balance, the carriage of a stock bull." The first calves by Kair Ranger, all in the younger classes, were exhibited at shows in late 1958 and early 1959. Among top prizes won by them were first prize junior get-of-sire at the Toronto Royal and Denver Shows, third prize junior get at the International and first prize senior get at Denver.

KAIR RANGER . . . Greatest Sire of the Day

Come and see for yourself whether the above statement is true. Two wonderful crops of calves are here for your inspection — 10 yearling bulls and 11 yearling heifers, all listed in this sale, and 35 younger calves. Study them from any angle, either sex, note their heads, width, spread of rib, depth of quarters — you'll agree that this son of the noted Calrossie Crocus Count is putting the best of everything into his calves.

Kair Ranger has attracted world wide attention in shows on both sides of the Atlantic. His first calves have attracted equally wide attention at the Toronto Royal, International and the Denver National Western. We are certain of their reception at auction. His second crop of calves that you will see on sale day are just as promising as the calves you saw a year ago. The evidence of his ability as a sire is here for everyone to see. Attend the Marellbar Sale and judge for yourself.

BURNTON BASILICA 2995-315

Red, calved December 12, 1957. Bred by G. J. C. Anderson, Fordoun, Kincardine, Scotland. Owned by Wm. Bartholomay, Jr., Libertyville, Illinois.

The record of Calrossie Crocus Count, sire of both Kair Ranger and Burnton Basilia, is without equal. At the great Perth Show in Scotland he has scored as follows: 1958 — sire of Reserve Junior Champion, three firsts and two seconds. . . . 1957 — sire of Reserve Junior champion . . . 1956 — sire of Junior and Reserve Supreme champion (Kair Masterkey) . . . 1954 — sire of both Supreme and Reserve Supreme champions. Kair Masterkey, 1956 reserve supreme champion, sired the Junior and Reserve Supreme champion at the 1958 Perth Show, the Champion Three Bulls by One Sire and the Reserve groups of Three and Five Bulls. Kair Masterkey, son of Calrossie Crocus Count, also sired the calves that won reserves in all group classes at the 1959 Perth Show.

BURNTON BASILICA . . . A Newcomer at Marellbar

Burnton Basilica is a three-quarters brother to Burnton Bankbook, Supreme Champion at Perth in 1954 and sold to Beaufort at 7300 guineas, where he is breeding well. The dam of Louada Princess Royal 12th that sold in the 1958 Louada sale at \$5,000, is a full sister to Burnton Basilica. He was purchased last July as a calf, running in the field with his dam. After inspecting a number of bull calves more or less the same age, we picked Burnton Basilica. He has the fleshing qualities we like, the spring of rib and depth of rib, grand set of legs, good head and a beautiful rich, dark red color. He has a grand, wide top and loin and is very smooth at the tail setting.

His dam is a beautiful cow and his breeding is nearly perfect. He was put in service with several heifers while in quarantine and his first calves will arrive in early June.

On account of his age when shipping, he suffered a severe setback, but is doing well and developing according to expectations. We have never had a bull in our barn that has fed any better. Would expect that it will be another six or eight months before visitors can appreciate his full value or his superior character and qualities.

We are happy that breeders do so well with the Shorthorns they purchase from Kickapoo Farms, Redford Gardhouse, of Milton, Ontario, bought the great heifer Kickapoo Blood Royal at \$1900 in the 1957 Marell-bar Sale. Within six months she was named grand champion female of the 1957 International Live Stock Show.

Kickapoo Blood Royal by Calrossie Highland Chieftain. Junior and grand champion female at the 1957 International for Kickapoo Farms, Kenosha, Wisconsin.

Left: **Bapton Majestic**, famous Kickapoo sire. He is a son of Kirkton Hercules and a three-quarter brother to Bapton Aurora, sire of the 1957 Perth Supreme Champion, Bapton Controller. His calves out of Calrossie Highland Chieftain dams are the best ever produced at Kickapoo. A daughter will sell in this sale and three sale heifers are bred to him.

Right: **Calrossie Golden Guinea**, latest addition to the Kickapoo herd bull staff. He is a son of Millhills Liberator out of a dam by Kirkton Baronet. Six beautiful heifers in this sale will carry his service.

Calrossie Highland Chieftain. At Kickapoo he has sired the reserve champion bull and both junior and senior winning gets at the 1955 International, both champion sale females at the 1956 International, & the champion female, first prize senior get and eight of the Best Ten Head of Short-horns at the 1957 International. Five daughters sell in this sale.

MARELLBAR ROMATIC stood second at the Denver National to the grand champion and was a member of the first prize get, both junior and senior, best ten head, and second in pair of calves. Augusta Manora was purchased in the Marshall dispersion sale at a high price. Her last two calves were Marellbar Informer that sold at \$1,900 to Phillip Sauer and Marellbar Augusta that sold to Garvin Brown at \$2,700. Richly bred and from a famous line of sires used in the Cruggleton herd. Marellbar Informer, the Sauer herd bull, distinguished himself by siring the great calf U-Drive Informer 5th, grand champion over all breeds in the Junior Futurity Progeny bull calf class at the recent North Dakota Show at Valley City.

MARELLBAR RIVALRY is out of an excellent daughter of Cruggleton Leishman. This is her first calf. Marellbar Augusta 23d is from the old and well established Augusta family both at Marellbar and Cluny. Her dam and granddam were both first prize winners. Marellbar Lady Augusta 3rd by Beaufort Bonspiel was grand champion as a senior heifer calf. Every sire and dam in this pedigree were reliable breeding cattle.

MARELLBAR RAGNAROK — His dam, Marellbar Jilt 9th, was second in the two-year-old class at the 1958 Toronto Royal and first at the International. Marellbar Jilt 2nd, a famous show cow and equally famous as a brood cow, was first at the Toronto Royal three years in succession. At eleven years old, she is still one of the best cows in the breed.

Of first importance to everyone considering the selection of a stock bull is the bull's mother. What kind of a cow is she? Her breeding and her production record are of unlimited value. Make this examination before you buy. Every bull in this sale has a mother that will stand the most critical inspection. They are cows that have proven their value by production records. They are sired by bulls of unquestionable ability and popularity.

This is also true of the mothers of the heifer calves in the sale. They are the kind that have made the Marellbar herd famous for type uniformity and quality. They not only have pedigrees of unlimited worth but have the kind of a background it takes to insure the future success of your herd.

All sired by Kair Ranger. Aren't they sweet? Where can you find more perfect foundation material? The three heifers on the left will sell in this sale. From left to right they are: **Marellbar Dorothy 3d**, Lot 13; **Marellbar Augusta Kate**, Lot 11; **Marellbar Clipper Maid 16th**, Lot 12; **Marellbar Lancaster 21st** and **Marellbar Lancaster 22d**.

The uniformity of the Marellbar breeding herd is due to the use of three great sires in succession, Cruggleton Allardice, Cruggleton Purvis and Cruggleton Leishman. Each of them played a most important part in building the herd. Several of our best breeding cows are daughters or granddaughters of these three great sires. Each of them sired first prize winners, champions and first prize gets of sire at the largest shows, and their calves made record averages at auction.

Kair Ranger continues the pace set by his predecessors and from the performance of his first calves in the recent shows we are assured that he too will make an enviable record as a sire. The sale of his first calves June 1st will prove his value. None have been offered for sale, assuring our sale customers all an equal opportunity to buy bulls or heifers of their choice at auction.

MARELLBAR AUGUSTA LAURA — Her dam, Bapton Augusta Leonie, was purchased at the 1957 Bapton sale at 1300 guineas. Her sire, Calrossie Constellation, has a record that perhaps is only equalled by Calrossie Welcome himself. Marellbar Augusta Laura is by Calrossie Good News. Her great granddam, Augusta Laura by Cuggleton Perfect, was the dam of Calrossie Welcome. Am confident there will not be another bull or heifer offered for sale anywhere so richly bred. Bapton Augusta Leonie is a uterine sister of Bapton Enterprise, sold for 1,200 gns. Calrossie Augusta Laura was purchased for Bapton in 1950 for 1600 guineas.

She was purchased at Perth for 450 guineas as a calf and is really one of our great breeding cows. Her daughter Ellaslea Clipper 5th has also produced equally well. There is no better breeding than this Clipper family. Had no intention of selling this heifer or Marellbar Clipper Ella 5th since they were selected to be kept at Marellbar. However, this is the year that our very best go in the sale.

Calrossie Flossy Sarah (150445)
Dark Roan, John MacGillivray

MARELLBAR FLOSS 3RD — Her dam, Drynie Floss 20th, is a member of the famous Calrossie Floss family that have produced a great number of valuable breeding cattle, she by the \$15,000 Glastullich Cupbearer, out of a Naemoor Immaculate dam. Marellbar Floss 2d sold to Mr. Grosse last June at \$3,000, for his great Northwood Blue Heather Shorthorn herd. Marellbar Floss 3d was bred March 3, 1959 to Burnton Basilica.

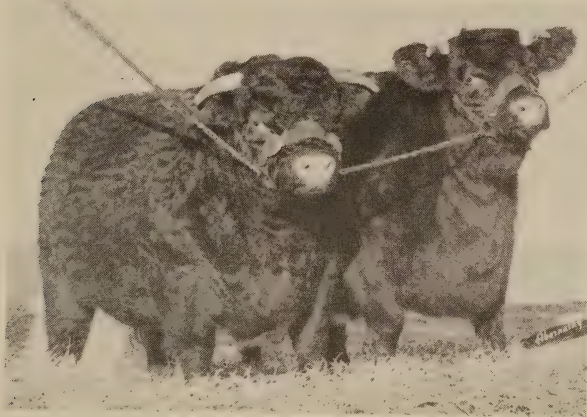

This group won first prize for Marellbar Farms in the class for "Best Ten Head" at the Denver Show in 1959. The group contains five calves by Kair Ranger, four by Helmor Purvis 361 and one by Phopachy King Charles.

Few herds can claim greater show ring prowess than Kickapoo Farms. The long list of top awards includes the reserve champion bull and both junior and senior winning gets at the 1955 International, both champion sale females at the 1956 International, and the champion female, first prize senior get and the Best Ten Head of Shorthorns at the 1957 International. All of the above prizes were won by sons and daughters of Calrossie Highland Chieftain whose five daughters will be a feature of this sale.

Below: These two impressive Shorthorns won first prize in the class for pair of yearlings for Marellbar Farms, Libertyville, Illinois, at the 1958 International. Left to right they are: **Marellbar Confessor** and **Marellbar Lancaster 19th**, both by Helmor Purvis 361.

This group won first prize for Kickapoo Farms in the class for "Best Ten Head" at the 1957 International Live Stock Show. Most of them were by Calrossie Highland Chieftain.

Marellbar Verbena, second prize senior yearling at both Toronto and Chicago for Marellbar Farms. She is out of the same dam as Marellbar Rotarian, Lot 2 in this sale.

Marellbar Rotarian (Lot 2), **Marellbar Lancaster 22d**, and **Marellbar Augusta Kate** (Lot 11), all by Kair Ranger. This trio won first at the Toronto Royal, and third at the International in 1958 and first at Denver in 1959 in the junior get-of-sire class.

Six Kair Ranger calves, all young, were exhibited at the 1959 National Western Show at Denver. They stood high in individual classes, won first prize in the junior and senior get-of-sire classes, second prize in the class for pair of calves, and were a part of the ten head group that won first prize. Many of these winners are included in this sale.

A Word About Fleshing Qualities

Fleshing qualities in our Shorthorn cattle were never more needed than they are today. Our promotion to induce the farmer and the rancher to use Shorthorn bulls for crossing purposes must be founded on the fact that this is their natural qualification and that they really have the ability to produce more weight at less cost. Kair Ranger calves have the thickness, depth of body and fleshing qualities necessary in the modern art of producing the kind of beef cattle that are in demand today and will be in the future.

Calrossie Crocus Count carries that beautiful mossy coat that indicates fleshing qualities. This inherent quality is also true of Kair Ranger and has been passed on to his calves. It is a highly important quality that is readily recognized by good cattle judges and successful breeders.

PRUMPLESTOWN GIPSY 23RD is bred identically to Lot 25. Refer to her pedigree for breeding of Calrossie Prince Charlie and Prumplestown Goldie 15th. Prumplestown Kingpin, by Prumplestown Golden Millar was four times champion at the Royal Dublin Show. Prumplestown Gipsy 23rd is a very good heifer that we had marked for our herd. She was bred Sept. 3, 1958 to Burnton Bascilica.

Here are some of the Calrossie Highland Chieftain daughters that have been retained at Kickapoo for matings with Bapton Majestic. This is a blood blend that has resulted in wonderful calves at Kickapoo Farms.

The following nine heifers represent the consignment from Kickapoo Farms, Kenosha, Wisconsin, owned by Stanley G. Harris and managed by Raymon Duer. We are proud to include them in the Marellbar Sale because we recognize the Kickapoo Herd as one of the strongest in North America. Those who make the trip to this sale will want to visit Kickapoo Farms for an inspection of the herd. Kickapoo is only a half hour drive from Marellbar and transportation for such a trip can be arranged if you will make your wishes known. All of the nine Kickapoo heifers are bred. All have been examined and pronounced pregnant. Three are carrying the service of Bapton Majestic, famous son of Kirkton Hercules, and six are in calf to the new junior herd bull Calrossie Golden Guinea, an outstanding son of Millhills Liberator.

KICKAPOO AUGUSTA O 4TH — A full sister was our top selling female in the 1957 Marelbar Sale at \$2,250, purchased by George Arrowsmith, Upperco, Maryland. She produced a very outstanding bul calf by Bapton Majestic which we tried to purchase as a calf last fall without success, because he is slated to be in the show herd. Kirkton Eureka, the sire of the dam, also was the sire of Leveldale Crocus many times Grand Champion Female for Les and Gene Mathers. Bred December 10, 1958, pronounced safe to Bapton Majestic. Pretested clean and vaccinated.

First prize get-of-sire at the hotly contested 1955 International Livestock Exposition was won by these four by Calrossie Highland Chieftain for Kickapoo Farms. Kickapoo's consignment contains five heifers by the same sire.

KICKAPOO BROADHOOKS F — A full brother to this good daughter of Calrossie Highland Chieftain will be a member of our 1959 show string. A full sister is being retained in the herd. Bred December 17, 1958, pronounced safe to Calrossie Golden Guinea. Pretested clean and vaccinated.

Calrossie Golden Guinea is the latest addition to the strong herd bull battery at Kickapoo Farms and is the service sire of Lots 28, 29, 30, 33, 34 and 36. He was purchased at the Perth Sale in Scotland in 1958. His sire, Millhills Liberator, was used with much success at Calrossie before being exported to Australia. Calrossie Golden Guinea is a three-quarter brother to Calrossie Keynote that has been retained as herd sire at Calrossie. We have at Kickapoo an imported-in-dam son of Calrossie Keynote that we value highly as herd bull material. Calrossie Golden Guinea's granddam, one of the very best cows at Calrossie, is the dam of Calrossie Highland Piper, 10,000 guinea top selling bull at Perth, 1952, now siring champions and sale-toppers for A. R. Cross of Calgary. Those who buy the six heifers in this sale carrying the service of Calrossie Golden Guinea may expect wonderful calves.

Left: **Marellbar Foundation**, purchased by T. D. Nyswonger & Son, Indianola, Iowa, at \$1,000. His dam, Marellbar Lancaster 5th, sells as Lot 37.

Bred to Bapton Engineer, the 3,500 guinea son of Bapton Aurora, she now has a red heifer calf born March 18th. She looks like a very promising breeding cow, a good mother and milker.

This quartette stood second in the senior get-of-sire class at the 1957 International. These were sired by Phopachy King Charles, a bull used successfully at Marellbar and now owned jointly by Marion Mackey and the University of Missouri.

Kair Martinet, imported in dam by Marellbar Farms and used with great success at the Brown-Forman Experimental Farm. He is out of the same dam as Lot 39.

BURNTON GOLDEN GIRL 3D is of the same family that produced the Perth reserve champion, Burton Rowan. She is by Corrimony Golden Sovereign that made a great record in the Anderson Brothers' herd. She has at side a very good red heifer calf born April 5, 1959, and sired by Kair Ranger. A very good milker, sound and a consistent producer.

The three most important days of the year on the Shorthorn calendar.

Sunday, May 31 — Visit Marellbar Farms and Kickapoo Farms, two of the greatest herds of the breed.

Monday, June 1 — Attend the most important sale of the year — at Marellbar Farms, Libertyville, Illinois.

Tuesday, June 2 — Attend the big Chicagoland Shorthorn Sale at the Lake County Fair Grounds, Grays Lake, Illinois.

25 bulls — 75 females — 100 head in the two sales — the best cattle selling this year.

The ten cows in this sale are offered only because they are being replaced by their daughters or young heifers. Those sold in our last June sale were readily accepted and proved good investments for their new owners. The cows are sound, reliable, productive cows of proven value. The footnotes attached to each pedigree regarding production records should be of interest to the buyer. The three cows by Cruggleton Allardice are from families famous at Marellbar over the past twenty years. Six imported cows are from the Uppermill, Cruggleton, Ballathie and Drynie herds. All are either close to calving or will have calves by Kair Ranger at sale time. A few of our recently imported heifers will also be included, a Clara and a Brawith Bud from Cluny and two Goldies from Prumplestown. They are in calf to Bapton Engineer, Burnton Basilica and Kair Ranger.

JEALOUS NORINE, by Cruggleton Braemar, is the dam of Cruggleton Jennings sold to the Gavins at \$2,000, Marellbar Essander sold at \$2,900, and Marellbar Pro-vidor sold at \$1,000. She is of the same breeding as Gallant Marshal, the sire of Kinellar Napoleon, also the same breeding as the dam of Westdrums Jeremy, sold at Perth this year at 2100 gns. Strictly a Marshall pedigree and a few of this breeding will be offered anywhere. Bred September 21 to Kair Ranger, will be calving by the end of June. Four bulls and one heifer have brought a total of \$7,000.

The cattle at Marellbar Farms are in charge of Josh Biglands, one of the most capable cattlemen in the business. He has as as-sistants Eddie Mackie and Eric Cormack. They will give you all the assistance possible and can answer any questions regarding the breeding herd or sale cattle.

Marellbar Officer, purchased in the 1958 Marellbar Sale by Ruud Bros., Hills, Minnesota, at \$1,300. His dam sells as Lot 45 in this sale.

BALLATHIE AUGUSTA BELLE, imported in 1951, by Pittodrie Uprise, he by Bapton Upright by Bapton Air Pilot. Bapton Augusta 36th, by Bapton Air Pilot, cost 1200 guineas. A big smooth breeding cow with a faultless pedigree. Her last calf, a red bull, born August 2nd. Bred November 29 to Kair Ranger. Will calve about September 1st. It would be next to impossible to buy this kind of breeding in Scotland today.

It has been my pleasure to have charge of the health of the Marellbar Farms herd for the past several years.

In such capacity, I can honestly say that the general health of the herd at the present time is excellent. It has been accredited for Tuberculosis for many years, all females have been calfhood vaccinated for Brucellosis and the herd for the past several years has been under the Cooperative Federal-State Brucellosis program.

Every precaution has been taken, whether it be vaccination or otherwise, to prevent any infectious or contagious diseases. To the best of my knowledge and belief, none exists.
